Discussion Questions:

- Share about a “Mission” experience you have had that still stands out to you today.
- It would only take .3% of Christians’ finances and only 1 in every 78,000 Christians to fund and send a missionary to each unreached people group. What are your reflections on these statements?
- Read through Philippians 2:6-13. Write down what stands out to you.
- To work out means “to continually work to bring something to completion or fruition.” What do you need to be doing to work out your own salvation? What is your “mission”?
- Is there something God has put on your heart but you have not completed?
- What tugs at your heart most about missions/local ministry?

Action:

- Read Psalm 2:11 and Romans 12:1-2. What should our attitude be like as a servant?
- Read Philippians 3:13-14. If our Salvation is by grace alone (Ephesians 2:8), why do we work out our salvation?
